

### Blandford Forum History Benches & Canopy

Client: Blandford Town Council

History benches to celebrate Blandford Forum's rich heritage from Roman and Anglo-Saxon times to the re-building of the town in Georgian times to the present day. Circling the Square also delivered as part of the same scheme the fabric architecture canopy, ground surfaces for the seat area and access path as well as the bespoke benches.

**Newspaper Fans Colindale Park, Barnet, London** Client: LB of Barnet

Two entrance markers for the regenerated Colindale Park. The concept for these 6.5m tall fans originated from opening or folding out of newspapers and magazines at the former British Library Newspaper Library once located on this site in Colindale.

**Reading Room Benches Colindale Park, Barnet, London** Client: LB of Barnet

Concrete block seating received backrests that create a colourful, high visible and fun learning area for local people and visitors, both children and adults. The text artwork uses the opening lines or key sentences from books providing interesting and inspiring statements that encourage people to search out the books to read.

### Stotfold Human Sundial & Compass Rose

Client: South Bedfordshire Council

Granite carved blocks and mosaics for the creation of communal zones that work as a human (Analemmatic) sundial & compass rose. Working closely with local people of developing the designs plus involving local schools in the making of the mosaic features.

**Angmering Public Art** Client: Artsworld, Arun District Council & Angmering Parish Council  
Circling the Square enabling project, working with pupils of Angmering School to facilitate their design of this distinctive piece of public art for outside Angmering Community Centre.

**Halstead Screens, Essex**

Client: Bloor Homes East

Entrance screens that celebrate Halstead's rural past and the town's historical association with Courtaulds, showing imagery of a power loom with female workers along with the distinctive textile designs. A key objective was to create public art that will provide existing residents and visitors a better understanding of the cultural heritage of the local area, adding value to the environment and encourage user to explore Halstead.

**Swavesey Tree Grille**

Client: Bloor Homes East

Decorative tree grille celebrates the biodiversity found in the environment of a new housing development in Essex whilst providing an attractive entrance feature.

**Russian Arctic Convoy Trail**

Client: RACP

Interpretation features for the Russian Arctic Convoy Trail around Loch Ewe on the West Coast of Scotland that acknowledge its important role during World War Two.

**Rowhedge Wharf Watchtower, Rowhedge, Colchester, Essex**

Client: Bloor Homes East

A bespoke watchtower for the Rowhedge Wharf housing development that overlooks the River Colne in Essex.
